I have made sure to use the answers on the note.I have double checked my problem set and the answer sheet.I will be responsible for the homework assignments and the final project.I have contacted my TA to make sure he is in the same situation that I am. I think I have resolved all of the problems on my own.I am looking forward to this semester.So does your wallet, but with the advent of "draft" being a feature on Xbox Live, its high time that the Xbox 360 got its very own Xbox Wallet. The feature was introduced in early December, but the Xbox Wallet is yet to be officially adopted. It looks like we're finally getting it. While the main question posed on the Kinect launch was "if I'm gonna need to buy this thing every time I pick up my Xbox", the Xbox360 finally has a wallet of its very own. The feature was introduced with the Kinect and lets users buy games and pay for various items in an Xbox Account. So far we've heard mixed reviews about the app. The IGN crew only mentioned that it can't be personalized yet. The PlayStation 3, PC and iPhone have all the customization that you'll ever want. The Xbox 360 hasn't been too kind to its users as we'll go through later in this post. If you don't want to get charged again when installing yet another
